

CourtConcierge™

Managing the flow of people to the Court

Sonant presents CourtConcierge™, a cloud-based solution for managing, scheduling and notifying groups for jury and other court appearances.

CourtConcierge™ ensures court attendees are in the right place at the right time, thereby reducing court costs and hearing delays.

Other benefits include:

- Custom notifications by email, text, or voice
- Notify any or all court attendees including jurors, witnesses, victims, defendants, families
- Suitable for any size court
- Provides 24/7/365 redundancy
- Easy to set up. No installation required
- Cloud based
- Easy administration from anywhere and on any device
- Independent of the Court's IT infrastructure
- Scalable for those extraordinary situations
- Custom messaging
- Integrates with your Court's website
- Reports
